Getting back to the office.

Safeguard the team as they return to the workplace, with ReFit. Solutions that can be quickly and seamlessly incorporated into existing spaces, with minimal installation and shortened lead times – to help facilitate a healthier work environment for all.

Reimagine the workplace.

Effectively implementing safe distancing in the workplace can ensure employees feel comfortable upon their return. Comprised of three categories: Above Surface Solutions, Mobile Space Division and Adaptable Division, the entire ReFit collection can be used to quickly retrofit any existing space.
